**Subject:** Request for Comment - Underground Services Markham's Application for 23 Brine Mining Wells, Matagorda County

Please see the attached Agency Fact Sheet and draft permit for Underground Services Markham's application for 23 brine mining wells in the Markham Salt Dome in Matagorda County. If you have any comments on the draft, please submit them to my attention by February 21, 2015. Let me know if you have any questions.

Thanks.
